

DIRECTIONS to East Devon Caravan Storage

When towing a caravan or driving a motorhome it's best to use the routes shown in **RED** on the map below... **DO NOT** use 'direct' Sat Nav route.

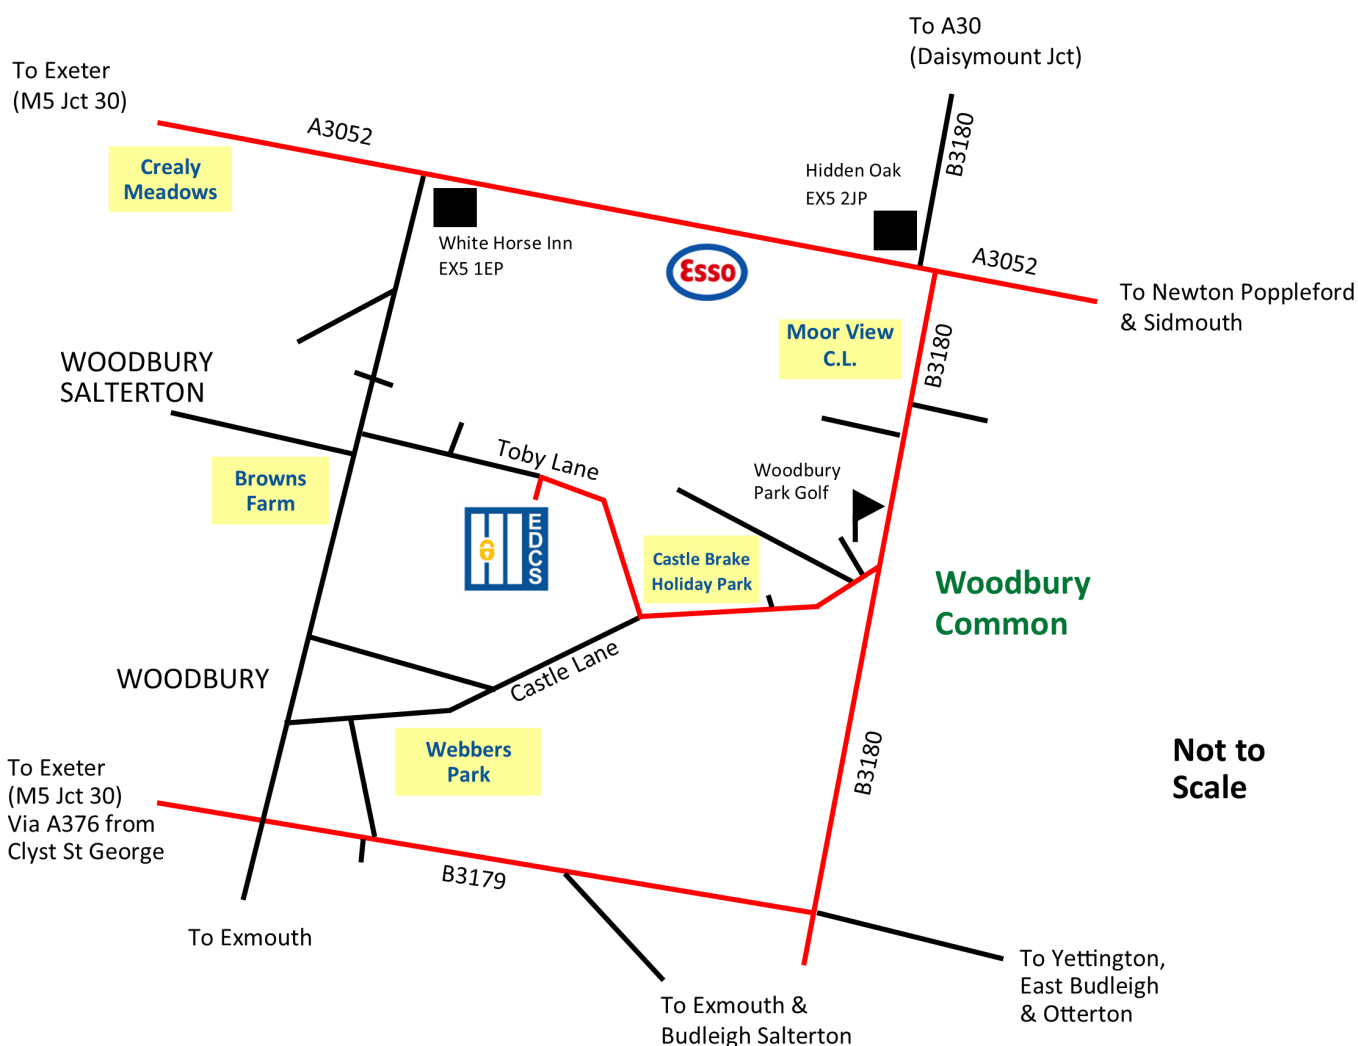

Woodbury Park Golf Club is located at the top of our road and is well signed from most directions and has a tall flagpole at its entrance.

You should turn off the B3180 at the flagpole, go past the entrance to the golf club and follow the lane downhill towards Woodbury, passing Castle Brake Holiday Park on your right.

After Castle Brake take the next right at '*Unsuitable for HGV*' signs and follow this lane for 400 yards to our entrance at first house on the left.

Look out for the EDCS sign at our entrance.

Please drive past the house and stables into the storage area.
